

## Application for Committee on Knowledge Extension Research (CKER) Actuarial Research Conference (ARC) Travel Grants

Return completed materials no later than **May 16, 2014**

The CKER is offering travel grants up to \$1,000(U.S.) to graduate students pursuing a Ph.D. from the U.S., Canada or Mexico, who will be presenting at the 49<sup>th</sup> Actuarial Research Conference. The ARC will be held at the University of California-Santa Barbara, from July 13 -16, 2014. CKER will consider two student applications per school. If there are any funds left after the initial funding, CKER will consider the second student application. The grant amount, which covers transportation costs only, is based on the actual cost of air travel. If the applicant drives to the 49<sup>th</sup> ARC, a lesser amount will be awarded. Car rentals will be reimbursed **only** if authorized in advance. If mileage is reimbursed, gas and tolls will not be reimbursed. **Please note that there will be no reimbursement without receipts.** Each student will need an ARC presentation verification from an advisor, department chair or graduate program advisor (please see item #12). Each student will also need to submit a 100-word abstract commenting on the purpose, background, data, methods, results and impact of the presentation. Candidates will only receive two grants, as long as their presentations are on different topics. The two-time limit to receiving a grant is over the period the individual is enrolled in a Ph.D. program. The decisions of the CKER are final. Applicants will be notified if they will receive a grant by **June 3, 2014**.
