

FAP Modules

Frequently Asked Questions (FAQ)

Updated: October 12, 2011

Q: How much does it cost to through the entire FAP course?

A: The overall cost of the course is \$2,100. See below for the fee breakdown:

FAP Modules 1-8	\$300
Interim Assessment	\$600
Final Assessment	\$1,200
Assessment Retakes	\$500

Q: Are there any prerequisites to the FAP course?

A: No. Candidates may register before earning credit for the preliminary examinations. However, many candidates will find it helpful to complete the preliminary examinations prior to reaching FAP module 5.

Q: How do I register for FAP?

A: Candidates can [register online](#) for individual or all FAP components. Online registration is processed immediately. Candidates can also fill out an [application](#) at and fax it to the number indicated on the form. Your application and login information will be processed within 10 working days. You will have access to the modules immediately after receiving confirmation that your application has been processed.

Q: Why can't I see my recent module purchase or received my assessment login credentials?

A: Your e-Learning session may be in cache mode. To generate a new session, login to the e-Learning system and logout by selecting the "Logout" button on the gray toolbar. Upon your next login you should be able to view all recent module purchases and any login information will have been emailed to you.

Q: Is there a detailed syllabus available?

A: A detailed syllabus is not available. There are seven required books for FAP. The complete listing of the [FAP required textbooks](#) is posted on the SOA Web site. A complete list of readings (books, articles, etc.) by module are on the e-Learning Web site under "Resources." Candidates will also be directed via the online screens to the readings corresponding to the module section. FAP module objectives are also available for review.

Q: Do I have to buy the books or does the SOA provide them?

A: The SOA does not supply the textbooks. Candidates may refer to online book distributors for purchase.

Q: How long do I have to complete the entire FAP course?

A: Candidates have 24 months from the date of module purchase to complete the course. Eligible candidates who do not complete the course within this timeframe may apply for a one-time, one-year extension.

Q: When does my extension begin and end?

A: Regardless of the date the extension is purchased, the extension period begins from the date of original purchase expiration, to make the final expiration date 36 months from the date of the initial purchase. For example, assume the original registration was made on January 31, 2011, expiring on January 31, 2013. If the extension is purchased in July 2013, the expiration date of the extension will be January 31, 2014, which is 36 months from the original purchase date.

Q: Do I need to file for an extension to complete my Final Assessment?

A: If you plan to submit your Final Assessment after your expiration date, you will need to apply for an extension. If you submit your Final Assessment prior to your expiration date, no action is required until you receive your result. If you pass, you will no longer need access to the modules and no extension is required. If you do not pass, you will need to apply for the extension in order to retake the Final Assessment. The Final Assessment is a part of the overall course, and thus, you must have course access to attempt the Final Assessment.

Q: Will FAP expiration affect my FSA module access?

A: No. The expiration date of the FAP course is based upon the purchase date of FAP. The expiration date of the FSA modules is based upon the purchase date of the FSA modules.

Q: Can I register for an extension online?

A: No. Contact Customer Service at 1-888-697-3900 to purchase an extension or fill out an [FAP extension application](#).

Q: How do I determine my expiration date?

A: To determine when your e-Learning access will expire, login to the SOA Web site and select "View My Account" to view order history and date of purchase.

Q: What happens if I do not finish the course within the extension period?

A: If you have submitted an IA or an FA, and it is pending grading, it will still be graded after your course access expires. The result of that grading will determine your next steps. In cases 1, 2 or 4 below, you will have a full 24 months to complete the elements listed.

- 1) If your IA receives a passing grade, you will then need to re-register for the course, modules 6-8 only. Do not register online, as this will not allow you to begin in the correct spot. Please use the application at <http://www.soa.org/files/pdf/edu-fap-modules-application-cand.pdf> to register. You will then need to resubmit end-of-module exercises for both 6 & 7. You can then register for the FA.
- 2) If your IA receives a failing grade, you will then need to re-register for the full course, and resubmit all end-of-module exercises. You will also need to register to re-take the IA. You would then progress through the course normally.
- 3) If your FA receives a passing grade, no further action is necessary. All required elements are complete.
- 4) If your FA receives a failing grade, you will then need to re-register for the course, modules 6-8 only. Do not register online, as this will not allow you to begin in the correct spot. Please use the application at <http://www.soa.org/files/pdf/edu-fap-modules-application-cand.pdf> to register. You will then need to resubmit end-of-module exercises for both 6 & 7. You can then register for the retake for the FA.

Q: Why does my module 5 or module 8 credit not appear on my transcript?

A: It is likely that you were working in cache mode at the time that you were working in that module, which is why it did not update correctly. We do run a report on a monthly basis to manually upload credit for candidates due to this situation. Module 5 credit will be updated within the next cycle after receiving a passing grade on the IA, and Module 8 credit after passing the FA. To prevent this issue in the future, be sure to always use the “logout” button in the gray bar at the top of the screen every time you leave the e-learning system. This will ensure that you are always opening a new session.

Q: What if I experience technical problems on the SOA e-Learning Web site?

A: Call e-Learning Technical Support (available 24/7) at 1-800-716-2094 (United States/Canada) or 1-512-558-7557 (International).

Q: What if I have questions about module content?

A: Post your question on the FAP discussion forum to discuss with your fellow candidates.

Q: What if I believe I have found an error in the module content?

A: Submit the module, section and page number and a description of the error to ellearn@soa.org for review.

Q: How is the SOA addressing plagiarism in the e-Learning courses?

A: While the overall percentage of plagiarism throughout the e-Learning system remains low, the SOA maintains the integrity of the ASA and FSA designation by using several sophisticated anti-plagiarism mechanisms. Any evidence that the work submitted is not the candidate's own automatically results in the submission being failed and may lead to disciplinary action ranging from one year to a lifetime ban. All FAP and FSA End-of-Module exercises and assessments are checked for evidence of plagiarism, improper collaboration and collusion.

Q: What disciplinary action will the SOA take if a candidate is found in violation of the Agreement?

A: Disciplinary actions can be taken by the SOA at anytime, even if a candidate has already completed an e-Learning course, module and/or assessments and has obtained the ASA or FSA credential. A designation earned under false pretenses will be revoked. In the event a designation is removed, the name of the candidate may be posted on the SOA Web site.

Q: Where can I report a possible violation?

A: The SOA has an official process to report rule infractions. Candidates who are aware of any infractions are encouraged to fill out the [SOA Infraction Report Form](#). If a candidate suspects another candidate has violated the [SOA Terms and Conditions Agreement for e-Learning Candidates](#) they are encouraged to fill out the infraction report form and submit it anonymously to the SOA.

Interim Assessment

Q: What is the Interim Assessment?

A: The Interim Assessment is designed to assess understanding and application of key concepts in Modules 1-5. The Interim Assessment helps candidates prepare successfully for the Final Assessment and is available on demand. Candidates will have access to the Interim Assessment after completing the required modules, exercises and after their registration has been processed.

Q: What is the format of the Interim Assessment?

A: The Interim Assessment is comprised of 12-15 questions, with a time estimate of 30-60 minutes per question. Candidates will submit their work in Word and Excel files. Candidates must submit their answers in the template provided. If the template is not used, the assessment will be failed and the candidate will need to re-purchase and re-take the assessment. No exceptions will be made.

Q: Why is the template locked for editing?

A: See below for several reasons why the template is locked.

1. You are using an older version of Word. The template is only compatible with versions of Word 2003 and later. If you are using an older version of Word, save the file in Word 2003 or 2007 to alleviate the issue.
2. You have an issue with a temp file that is locking the .doc file you are trying to edit, resulting in your document being in 'read only' mode. It's also possible that your Normal.dot template file for your Microsoft Word application has a temp file associated with it and is locking the .dot.

To alleviate either of the locking issues, locate the temp file (usually preceded by a ~ symbol) and delete it to release the lock. Or, for the purpose of continuing your work as soon as possible, you can simply use a different computer. Keep in mind that if using the same .doc saved to a flash drive you may be bringing the file lock issue with you. To avoid this, re-download the template directly to another computer.

Q: How much time do I have to take the Interim Assessment?

A: Candidates have 30 days to complete the Interim Assessment after downloading the materials. If candidates do not complete the Interim Assessment in the time allotted, they will not have met minimum requirements and will need to reregister. No exceptions will be made.

Q: When does my Interim Assessment clock begin?

A: The assessment clock begins once a candidate reaches the download page, and several warnings will be issued in advance of that happening. Candidates may log in, read the instructions and FAQs prior to beginning their assessment clock.

Q: Can I take the Final Assessment before taking the Interim Assessment?

A: No. Candidates need to have met minimum requirements on the Interim Assessment before being able to gain access to the Final Assessment.

Q: How is the Interim Assessment graded?

A: Candidates will complete the Interim Assessment under controlled conditions with formal grading. All submitted Interim Assessments are graded as meets (pass) or does not meet (fail) minimum requirements. Sequence of grading is identical to that of the Final Assessment. You will “pass” if the grader determines that your assessment meets minimum requirements. If the grader determines your assessment does not meet minimum requirements, your assessment will be graded independently by another grader. If there is a discrepancy between the grades assigned by the two graders, your assessment will be graded by one more independent grader to resolve the discrepancy. All grades are final.

Q: When will I receive my Interim Assessment results?

A: Candidates should expect to receive their results approximately seven weeks after submission. Interim Assessments are graded in the order in which they are submitted. Some submissions are graded by more than one grader and that this will naturally extend the process. As the SOA indicated, you should allow 7 weeks for your Interim Assessment to be graded. Results will be emailed to candidates immediately upon completion. Results will also be displayed on the Interim Assessment screen upon login. Credit will be posted to a candidate’s online transcript within approximately 24 hours.

Q: What happens if my assessment does not meet minimum requirements?

A: To receive credit, you will need to register to take the assessment again and submit the appropriate [registration form](#). **Assessment retake registration cannot be performed online.**

Q: When can I register for the Interim Assessment?

A: Candidates can register for the Interim Assessment in advance. If a candidate is not eligible to take the Interim Assessment, a message will be displayed upon login listing any outstanding End-of-Module exercises. If a candidate is eligible to take the Interim Assessment, immediate access will be granted upon login.

Q: Do I have to wait to receive my Interim Assessment results before accessing Module 6?

A: No. Candidates will have access to Module 6 immediately upon submission of their Interim Assessment.

Q: Do I need a supervisor for the Interim Assessment?

A: There is no supervisor involvement needed for the Interim Assessment. The candidate will attest that the work submitted is his/her own and that he/she has not distributed any materials.

Q: What happens if the SOA e-Learning website is not available when I need to upload my Interim Assessment files?

A: During planned system outages (i.e., system maintenance, etc.), the candidate is solely responsible for scheduling the download and upload of the Interim Assessment so that it does not conflict with the planned outage. Consequently, candidates who do not upload their Interim Assessment within the 30 day time frame due to the planned outage will be graded as “Does Not Meet Minimum Requirements.” Candidates will then be required to re-register and retake the Interim Assessment. All planned outage schedules are posted in advance in the News portion of the e-Learning Web site.

Q: Am I allowed to discuss the Interim Assessment with others?

A: Candidates may NOT discuss the Interim Assessment with others. Discussion is strictly prohibited on the FAP Forum and other public forums. Candidates not adhering to the terms and conditions of the course and/or Interim Assessment instructions will be subject to disciplinary action.

Q: Why did I not get the same version of the IA for my retake? (also: Why did I not get the same version of the IA as my friend did, since we downloaded on the same day?)

A: All candidates receive the version of the assessment that is current as of the date of registration for that specific attempt. It may be the same, or it may be different than what was completed previously. We do not guarantee a specific version will be received.

Q: How do I request a refund for the Interim Assessment?

A: Interim Assessment applicants may cancel their Interim Assessment registration before logging into the Interim Assessment by doing either of the following:

- Go to www.soa.org, click on “My Account” and select order history. Log in, choose the order you wish to cancel from your order summary, click the request cancellation button, and complete the form to submit your request.
- E-mail a request to refund@soa.org and specify “Interim Assessment”.
- The SOA will refund the registration fee, minus a cancellation fee of \$100 (U.S.). You will receive your refund (less the administration fee) in 2-4 weeks.
- No refunds will be considered for the Interim Assessment applicants who fail to correctly cancel online, or send a written or e-mailed cancellation request and do not specify “Interim Assessment”.
- If candidates do not submit their Assessment within the 30 day timeframe, the Assessment will **NOT** be accepted and a refund will not be issued.

 - Supervisors must be present during the upload of the Final Assessment submission to verify success of the uploaded documents.
 - Supervisors must electronically attest 1) to successful transmission of materials, that to the best of the supervisor's knowledge, the completed submission represents the candidate's work, and 3) that the candidate has not distributed the assessment materials to anyone.

Consequently, candidates who do not upload their Final Assessment within 96 hours due to the planned outage will be graded as "Does Not Meet Minimum Requirements." Candidates will then be required to re-register and retake the Final Assessment. No exceptions will be made. All planned outage schedules are posted in advance in the News portion of the e-Learning Web site.

A: Yes, you may discuss the assessment (tasks/solutions/Excel files) with an ASA, FSA, or other FAP candidates via the FAP Discussion Forum or at work or with a study group. However, your final submitted files **MUST** be your work and your work only. Having another person(s) write your solutions, plagiarizing or copying another person's work or model solutions is strictly prohibited. Failing to adhere to the [SOA Terms and Conditions Agreement for e-Learning Candidates](#) to which you agreed to upon registration subjects you to disciplinary action ranging from one year to a lifetime ban.

Q: Does everyone get the same Final Assessment?

A: No. Currently, the background information for the assessment is the same for all candidates. All candidates will complete pricing, funding, and monitoring tasks; however, not all candidates will get the same tasks to complete. In other words, we have created multiple (many) forms of the assessment.

Q: I did not receive my Final Assessment results email, what should I do?

A: Due to technical reasons beyond our control, some candidates may not receive emails from the e-Learning system. In such cases, candidates may also log in to the Final Assessment page where Assessment results are displayed or refer to their Online Transcript.

Q: Why did my colleague receive his results before me?

A: Final Assessments are graded in the order in which they are submitted. Some submissions are graded by more than one grader and this will naturally extend the process. As previously indicated, all candidates should allow approximately seven weeks for their Final Assessments to be graded before contacting the SOA about their results.

Q: The Final Assessment was my last requirement for Associateship. What is my next step?

A: The listing of [New ASAs](#) is the official confirmation that candidates have succeeded in meeting all of the ASA requirements. Candidates may begin to use the ASA designation after their name appears on the New ASA list.

Q: Who do I contact if I have questions about the FAP modules?

A: Contact elearn@soa.org.
