Moderator: John O. Nigh

Debaters: Joseph Kolodney, John Tiller, Eric Haab, Monica Hainer

1. What do companies do in the contracting process and/or the administration of the agreement that might lead to arbitration?
2. What do companies do when they engage in an arbitration that might exacerbate the proceedings?
3. How can companies better manage the arbitration process?
4. What alternatives are there to arbitration?
5. Have profitability objectives created an environment that has resulted in more arbitration proceedings?
6. How has the market changed in relationship to the liabilities reinsurers are willing to accept?
7. What are the trends of arbitrations versus jury trials?
