

## SOCIETY OF ACTUARIES

### **Public Court Documents Available to SOA Members**

As previously announced, during 2009 the Society of Actuaries concluded litigation in an employment dispute with its former Executive Director. In the interest of transparency, the Board of Directors has decided to make available to members publicly available documents relevant to this matter. Although the dispute was ultimately resolved in a confidential arbitration proceeding, certain documents are publicly available in court files related to the case. They are being made available to SOA members upon request to the Society. To receive the documents, contact SOA Customer Service at 888.697.3900.
