

CHANGES TO SUBMISSION PROCESS!!!!

Please be advised that starting in **January 2007**, the process to submit papers to the *North American Actuarial Journal* will change. We will be migrating to an online program for all submissions as well as review of manuscripts. More information will become available on the NAAJ section of the SOA Web site as we make progress. Questions or concerns can be directed to Kathryn Wiener, Communications Assistant, kwiener@soa.org or via phone at 847-706-3501.
