## TRICKS OF THE TRADE

### PODCAST

#### HOW TO BE AN ETHICAL LEADER:

##### Interview with Seletha R. Butler

Seletha Butler is an assistant professor of Business Law and Ethics at Scheller College of Business at Georgia Institute of Technology, the author of *All on Board! Strategies for Constructing Diverse Boards of Directors* and an entrepreneur.

Butler has a Bachelor of Science in Corporate Finance from the University of Alabama, a Juris Doctor from Harvard Law School and a Master of Business Administration from Georgia Institute of Technology.

In the podcast “How to be an Ethical Leader,” Butler explores three components: organizational leadership, ethical decision-making and the art of diversity. This discussion offers actuaries practical advice on how to be an ethical leader.

### WEB PORTAL

#### NEW LOOK AND FEATURES FOR MY SOA

My SOA, the Web interface for SOA accounts, has a new design, navigation and more personalized content based on the user’s area of practice. Members and candidates easily can access their account information, order history, information on their exams and e-courses, their continuing professional development details and credits, as well as information on their SOA community activities and volunteer opportunities. Visit My SOA to start using this updated interface.
