1964 VOL. 16 PT. 1 NO. 46**

LEGAL NOTES

The Board of Governors decided that the Legal Notes could be discontinued because this material is now readily available to the Society members in other publications. Mr. B. M. Anderson has been the author of these Legal Notes since the Society's inception and previously supplied the Legal Notes for the *Transactions of the Actuarial Society of America*.

In reporting the end of the Legal Notes as a feature of the *Transactions*, the Board would like to place on record the Society's appreciation of Mr. Anderson's work. Over the years, since 1941, he has kept the members abreast of current legal matters and has added greatly to their store of professional knowledge. Mr. Anderson deserves the warmest thanks of the Society for the time and energy he has contributed, and, while not of the actuarial profession, he has certainly, in the words of Bacon, been "a help and ornament thereunto."
