UNIVERSITY OF CONNECTICUT ASSISTANT PROFESSOR IN ACTUARIAL SCIENCE

Job Summary: The Department of Mathematics at the University of Connecticut invites applicants for a tenure-track position at the Assistant Professor level in Actuarial Science starting in Fall 2011. Highly qualified candidates in Actuarial Science, Mathematics, Statistics or related quantitative disciplines are encouraged to apply, but a clear commitment toward Actuarial Science is the focus of the search.

Qualifications: *Minimum Qualifications:* A completed Ph.D. by August 23, 2011; demonstrated evidence of excellent teaching ability and outstanding research potential; and progress toward Fellowship in a recognized actuarial professional society. *Preferred Qualifications:* Industry experience; and the ability to contribute through research, teaching, professional involvement, and/or public engagement to the diversity and excellence of the learning experience.

Appointment Terms: Position is at the Storrs campus. Candidates may have the opportunity to work at the campuses located at Avery Point, Hartford, Stamford, Torrington, Waterbury, and/or any other University location.

To Apply: Applications and at least 3 letters of reference should be submitted online at Mathjobs.org/jobs. Questions or requests for further information should be sent to the Hiring Committee at actuarialhiring@uconn.edu. Review of applications will begin on November 15, 2010, and continue until the position is filled.

The University of Connecticut is an Equal Opportunity and Affirmative Action Employer. We enthusiastically encourage applications from underrepresented groups, including minorities, women, and people with disabilities.
