CONCORDIA UNIVERSITY DEPARTMENT OF MATHEMATICS & STATISTICS

The Department of Mathematics and Statistics at Concordia University invites applications for one tenure-track or tenured position in Actuarial Mathematics, starting July 1, 2012. Applicants should have a Ph.D. a strong research and teaching record, and be a Fellow or Associate member (or equivalent) of one of the major North American actuarial organizations, such as the Canadian Institute of Actuaries, the Casualty Actuarial Society or the Society of Actuaries. Associate members will need to commit to complete their Fellowship before the end of their first probationary contract or, for a senior appointee, within the first three years of the appointment.

Applications must consist of a cover letter, a current curriculum vitae, copies of recent publications, a statement of teaching philosophy/interests, a statement of research achievements, and evidence of teaching effectiveness. Candidates must also arrange to have three letters of reference sent directly to:

Professor Y.P. Chaubey, Chair
Department of Mathematics and Statistics
Concordia University
1455 de Maisonneuve Blvd.
Montreal, Quebec H3G 1M8
Canada
chair@mathstat.concordia.ca

Subject to budgetary approval, we anticipate filling this position, normally at the rank of Assistant Professor, for July 1, 2012. Appointments at a more senior level may also be considered. Review of applications will begin immediately and will continue until the position is filled. All applications should reach the Department no later than November 1, 2011. For additional information, please visit our website at <http://mathstat.concordia.ca/>.
