Return completed materials no later than **May 25, 2012**

The CKER is offering up to \$1,000(U.S.) travel grants to graduate students pursuing a Ph.D. from the U.S., Canada, Mexico, or other areas outside of North America, who will be presenting at the 47<sup>th</sup> Actuarial Research Conference. The ARC will be held at the University of Manitoba in Winnipeg, Manitoba, Canada, from August 1, 2012 - August 4, 2012. CKER will consider two student applications per school and will guarantee that one qualified student per school will receive a grant up to \$1,000. If there are any funds left after the initial funding, CKER will consider the second student application. The grant amount, which covers transportation costs only, is based on the actual cost of air travel. If the applicant drives to the 47<sup>th</sup> ARC, a lesser amount will be awarded. **Please note that there will be no reimbursement without receipts.** Each student will need an ARC presentation verification from an advisor, department chair or graduate program advisor (please see item #12). Each student will also need to submit a 100-word abstract commenting on the purpose, background, data, methods, results and impact of the presentation. Candidates will only receive two grants, as long as their presentations are on different topics. The two-time limit to receiving a grant is over the period the individual is enrolled in a Ph.D. program. Grant recipients will be notified by **June 15, 2012**.
