EXAMINATION

SCHEDULE YOUR APPOINTMENT AT THE PROMETRIC WEBSITE:

- After your registration has been processed, you will receive an acknowledgement/receipt by email that includes your candidate/eligibility number for this administration. You can locate your candidate/eligibility number by scrolling down into the receipt portion of the email. The candidate/eligibility number included in this acknowledgement/receipt **will be activated approximately 1-hour after, or shortly thereafter** receiving the email. At that time, you should try to **immediately** make an appointment at a Prometric computer-based testing center. Candidates who do not make an appointment at a CBT Prometric exam center soon after their candidate number is uploaded may find their local CBT center is filled on the days when the exam is offered. If your candidate number is not at Prometric after 1 hour, please email soaexams@soa.org to inquire. The **latest** a candidate can schedule a CBT appointment is **48-hours** prior to the start time of the exam on the final day of the testing window. No appointments or changes will be made after that time. Lastly, if you do not receive a confirmation email from Prometric within 24-hours of Scheduling your exam appointment, please contact Prometric to make sure the exam appointment was captured properly.

EXAMINATION FEES

- Exam fees may be paid by check, money order, or credit card (American Express, MasterCard, or Visa). Checks should be made payable to **Society of Actuaries**. Applications should be sent to the appropriate address listed on the first page. Fees must be in U.S. funds or equivalent. Letters of Confirmation used for scheduling appointments are not released until the account is paid in full. **NOTE:** The amount billed to an individual's credit card will be automatically adjusted for persons who miscalculate the amount due. **Fees are not transferable from one session to another.** Candidates with a balance due will not be permitted to register for future examination sessions until outstanding debts are paid in full.
- If paying by credit card, the candidate must include the CVV2 number (see details below under "Additional Credit Card Information—CVV2 Number").
- A **\$25** fee will be assessed on any checks returned due to insufficient funds.
- **NO REFUNDS:** The SOA does not offer refunds for its examinations. No part of a fee paid to the SOA for examination registration will be refunded or transferred to a later exam period should the candidate (a) not appear for the exam or (b) not have the proper identification at the time of the exam. [Refund Policy](#).

The SOA does recognize that events may occur that are outside a candidate's control. In those cases, there are two options that may be available:

- o **Rescheduling Options for CBT:** Because computer-based exams are administered over several days, candidates have the option to reschedule their test appointment **within the same** testing window provided that the request is made more than 48 hours before the scheduled appointment and provided there is a seat available. To reschedule a CBT appointment, candidates must follow the directions provided at <http://www.soa.org/Education/Exam-Req/Exam-Day-Info/edu-cbt-add-rules.aspx>. Rescheduling may result in a \$70.00 fee paid directly to Prometric.

- o **Emergency Situations.** Preliminary Actuarial Exams/SOA recognizes that unforeseen emergencies may occur that directly influence a candidate’s ability to take an exam on an appointed day. We will consider these situations on a case-by-case basis. Candidates finding themselves in such a situation should contact SOA Customer Service at customerservice@soa.org.
- o **Temporary Refund Policy (when applicable)-** <https://www.soa.org/education/exam-req/registration/edu-refunds/>

ADDITIONAL CREDIT CARD INFORMATION—CVV2 NUMBER

How to find your credit card’s CVV2 number:

On a **Visa** or **MasterCard**, please turn your card over and look in the signature strip. You will find (either the entire 16-digit string of your card number, OR just the last 4 digits), followed by a space, followed by a 3-digit number. That 3-digit number is your CVV2 number (see below). On **American Express** Cards, the CVV2 number is a 4-digit number that appears above the end of your card number (see below).

What is CVV2?

CVV2 is a security measure we require for all transactions. Since a CVV2 number is listed on your credit card, but is not stored anywhere, the only way to know the correct CVV2 number for your credit card is to physically have possession of the card itself. All VISA, MasterCard and American Express cards made in the United States have a CVV2 number.

Visa & MasterCard:

This number is printed on MasterCard and Visa cards in the signature area of the back of the card. (it is the last 3 digits AFTER the credit card number in the signature area of the card). **If you cannot read your CVV2 number, you will have to contact the issuing institution.**

American Express:

American Express cards show the CVV2 printed above and to the right of the imprinted card number on the front of the card.

NOTE: For European or Asian credit cards that do not have a CVV2 number, please enter 000 as your CVV2 number.

Retain your candidate number to access results at <http://examresults.soa.org>.
