Katie Borski, FSA
Director & Actuary
AIG
Houston, TX

Professional Background

Life actuary with 15+ years experience. Rotated between valuation and pricing positions earlier in my career. More recently have expanded my skillset working on the strategic modeling team, helping develop pricing mortality assumptions and design automated underwriting processes. This position has allowed me to utilize my experience as an actuary in the life industry while learning more about the rapidly evolving world of modeling and data analysis.

Society of Actuaries Experience (Section and committee memberships and participation)

I have served several sittings grading for the SOA ILA and ERM exams.

Other Relevant Volunteer Experience

None

Why are you interested in leading this section?

I enjoy being part of a professional community that proactively adapts and evolves and want to give back and contribute.
