Manoj Gandhi, FSA, FCIA
Business Solutions Lead
Hannover RE
Toronto, Ontario

Professional Background

Manoj is currently the Business Solutions Lead at Hannover Re, in the Canadian Branch. He has worked at Life Insurance carriers for the majority of his 14+ career in various capacities. He began his career in the US Life Insurance department and focused on quarterly valuation for Participating and Non-Participating blocks of business on the IFRS accounting basis. Manoj diversified his areas of expertise by becoming a part of the Group Financial Risk team where his key responsibilities entailed reporting company-wide and business level Economic Capital and Earnings at Risk. He joined the Affinity Markets pricing team in 2015 with an initial focus on International Group Program (IGP). He expanded his role which entailed leading the Pricing Product Development team, covering the development and RFP work for Health, Travel, Direct & Broker lines of businesses. He then broadened his exposure by working in Product, Strategy, and Business Development functions within Individual Insurance.

Manoj graduated from the University of Waterloo with a B.Math in Actuarial Science. He is a Fellow of the Society of Actuaries and a Fellow of the Canadian Institute of Actuaries. He lives with his wife and two children in the Greater Toronto Area.

Terrence Chin, FSA, CERA, ACIA
Manager
Oliver Wyman
Toronto, ON

Professional Background

I am currently a Manager with the Actuarial Practice of Oliver Wyman based out of Toronto. I have extensive experience in reinsurance and Moody's Analytics AXIS™ actuarial software, and primarily provide consulting services to life insurers. Most recently, I have been working on setting lapse assumptions by building predictive models for a reinsurer. Prior to joining Oliver Wyman, I spent six years at Munich Re in the Toronto and New York offices. My time at Munich included working with life and living benefits products across pricing, valuation and risk management roles in Canada and the US.

Society of Actuaries Experience (Section and committee memberships and participation)

- CFE Track Exam SDM Committee: question writer and grader (2018-2021)
- Editorial Board member and article writer for Future Actuary (2009-2015)
- Member of Reinsurance, Financial Reporting and LTC sections

Other Relevant Volunteer Experience

Why are you interested in leading this section?

I am interested in becoming more active in the industry and contributing to Reinsurance thought leadership. I enjoy collaborating with other actuaries and have found my prior volunteering experiences with the SOA to be very rewarding. I hope to provide a unique perspective as a recent FSA (<5 years ago), while learning from peers and industry experts. I look forward to the opportunity to serve the Reinsurance Section.
