Corporate Recording Library Subscription Program

Enjoy access to unlimited recordings!

Subscription has its Benefits

There's content for everyone in the SOA Recording Subscription Program—a library featuring more than 500 on-demand recorded webinars and virtual sessions from the past three years covering a variety of topics. This corporate subscription is offered on a one-year basis with the option to renew annually. Securing a subscription to this program opens the door to the extensive professional development library for all your team members, actuaries and non-actuaries alike, who have registered accounts with the SOA.

SECURING A CORPORATE RECORDING LIBRARY SUBSCRIPTION MEANS:

- Pricing is based on the number of SOA credentialed actuaries and is valid for one year.
- Access is granted to all employees, beyond just SOA credentialed actuaries
- Available across multiple company locations
- Access to all recordings in the library
- Upon activation each employee will have their own access to the library
- Coming soon: New, engaging short-format video content and curriculum driven training courses.

Individual Subscriptions are now available for \$350/year! If you would like to secure a subscription for yourself or your team of five or fewer, please [click here](#) to purchase individual subscriptions

Number of SOA Credentialed Actuaries	Price
6-25	\$2,000
26-100	\$2,500
101-400	\$5,000
401+	\$7,500
