

2022 China Symposium Sponsorship

The Society of Actuaries (SOA) provides unmatched education, research and professional development resources to actuaries around the world.

The SOA is excited to introduce our 2022 China Symposium Sponsorship Program. Your organization will be able to select the programs that fit your company's goals and objectives. The sponsorship program will continue to provide effective and convenient ways for your company to maximize its exposure and provide you the flexibility to choose the options that best meet your company's needs and goals.

When you collaborate with a captive audience committed to your initiative, your organization will experience numerous opportunities to develop and enhance key relationships and to position your company not as a vendor but as an industry partner and leader.

As the largest professional actuarial organization, the SOA gives you direct access to more than 32,000 members worldwide, including China. Members strive to be the leading professionals in measurement and management of risk, and the SOA supports them with in-depth conferences welcoming actuaries from all disciplines around the globe. Participate as a sponsor and:

- Enjoy high visibility to a targeted audience of actuarial, insurance, finance and investment practitioners in China.
- Build and enhance brand equity among actuaries from all disciplines.
- Be recognized as a key player and thoughtful leader in the insurance and financial services industries.
- Gain direct exposure to decision makers who use your products and services.
