

2020 SOA Membership Dues

November 20, 2019

Dear SOA Member:

Greetings and welcome. I'm excited for the year ahead, in working with you and the SOA membership to help grow and support the actuarial profession. As your president, I plan to focus on three important areas: globalization of the industry, new technologies, and the ongoing transformation needed for actuaries to be perceived as trusted advisors at the highest levels. The SOA Board and I are working on several strategic initiatives all of which are supported with your [membership dues](#). These efforts include the SOA's long-term growth strategy, predictive analytics, InsurTech, diversity, young professional engagement, redesign of professional development offerings, and international strategy.

I encourage you to continue your SOA membership. To pay your annual membership, you can simply [go online and submit payment](#). As of January 1, 2020 the SOA will be using a new tax ID number - 83-4526499.

You may also consider joining or renewing your membership with professional interest sections, so you can benefit from the knowledgebase and resources available. Join or renew your section membership.

If you have any questions, contact SOA Customer Service at customerservice@soa.org and +1.888.697.3900. Members in Asia can email asiacustomerservice@soa.org or call +86.10.6580.0686. Visit the [Customer Service page](#) for hours and Frequently Asked Questions.

Again, share your views with me, I'm listening. Please volunteer with one or more opportunities with the SOA. This year is going to go fast, and I'll need your help and guidance along the way.

Regards,

Andrew D. Rallis, FSA, MAAA
President
Society of Actuaries
