

2019 Event Sponsorship Application

The Society of Actuaries (SOA) will organize the LTC Tech Summit in collaboration with Maddock Douglas, in Sunnyvale, Silicon Valley, on November 7, 2019, at the Plug and Play Tech Center. Please plan to join us as a sponsor for this unique one-day summit and for exciting networking opportunities!

PROGRAM OVERVIEW

The delivery of quality long-term care services to an aging society will face increasing challenges in the coming years as the number of individuals requiring care rapidly grows. New solutions will be required to meet the demand. This urgent challenge creates an opportunity for emerging technology and innovative approaches that address the critical needs.

Fortunately, promising solutions are emerging, offering great potential to avoid this crisis. But, taking on a problem of this magnitude will require collaboration among both innovators and stakeholders in this space. Join leading innovators, payors, providers and investors to be a part of the emerging LTC technologies and participate in an intimate discussion to assemble the pieces that will address this crisis.
