Consequently, candidates who do not upload their end-of-module assessments within the 96 hour time frame due to the planned outage will be graded as “Does Not Meet Minimum Requirements.” All planned outage schedules are posted in advance in the Recent Announcements portion of the e-Learning system. In the event the e-Learning system is not available due to an unscheduled outage, thereby preventing candidates from uploading their End-of-Module Assessment files, please contact elearn@soa.org.

Q: How long do I have to complete the Final Assessment?
A: The Final Assessment must be uploaded within 96 hours, or before the grading submission deadline for that particular version of the Final Assessment. Candidates may login, read the instructions and FAQs prior to beginning their assessment clock. The clock does not begin until a candidate reaches the download page. Several warnings will be issued in advance of that happening.

The Final Assessment must be uploaded prior to course expiration, regardless of the time left on the clock. For example, if a candidate downloads the Final Assessment on January 29, with a course expiration of January 31, the Final Assessment must be uploaded by 11:59 pm Eastern Time, U.S. on January 31. Although the Final Assessment clock will still show more time is left, a candidate must have course access to upload the Final Assessment.
Q: When does the Final Assessment clock start?  
A: The clock will begin when you access a screen entitled “Download Page.” You will receive a warning several times before activating the assessment clock.

Q: What is the role of the supervisor?  
A: Supervisors do not need to be present during the entire 96-hour time frame. Supervisors have the following responsibilities:  
   • Supervisors must be present during the download of Final Assessment materials to verify success of the download.  
   • Supervisors must be present during the upload of the Final Assessment submission to verify success of the uploaded documents.  
   • Electronically attest 1) to successful transmission of materials, that to the best of the supervisor’s knowledge, the completed submission represents the candidate’s work, and 2) that the candidate has not distributed the assessment materials to anyone.

Q: Will my supervisor receive a separate set of instructions?  
A: No. The online screens for the Final Assessment will provide the instructions for the Supervisors.

Q: Who can serve as my Final Assessment supervisor?  
A: The supervisor must be an FSA in good standing. If an FSA is not available, other acceptable designations would be: FCAS, FCIA, FFA, FIA, FIAA, FSPA. If a Fellow is not available, a high-ranking member of management who is not able to sit for exams, such as Vice President of Human Resources, or a university professor may also serve.  

Supervisors may not be a relative of the candidate or reside at the same address.

Q: How do I change my supervisor?  
A: Submit your new supervisor’s name, title and contact information to Customer Service.

Q: My supervisor is not able to supervise the upload of my files. Can I have another supervisor step in?  
A: Yes. Candidates may have different supervisors for the download and upload. You must notify the SOA regarding any supervisor changes by sending an email to Customer Service.
Q: Can my supervisor just email me the Final Assessment files?
A: No. Candidates must log in and agree to the Final Assessment Terms and Conditions.

Q: What happens if I don’t complete the Final Assessment within 96 hours or before the Assessment submission deadline?
A: Your assessment will be graded as not having met minimum requirements (failed). To receive credit, you will need to re-register for the assessment.

Q: What happens if the SOA e-Learning website is not available when I need to upload my Final Assessment files?
A: During planned system outages (i.e., system maintenance, module rollouts or updates, etc.), the candidate is solely responsible for scheduling the download and upload of the Final Assessment so that it does not conflict with the planned outage. Consequently, candidates who do not upload their Final Assessment within 96 hours due to the planned outage will be graded as “Does Not Meet Minimum Requirements.” Candidates will then be required to re-register and retake the Final Assessment. No exceptions will be made. All planned outage schedules are posted in advance in the “News” portion of the e-Learning website.

In the event the e-Learning system is not available due to an unscheduled outage thereby preventing candidates from uploading their Final Assessment files within 96 hours, please contact elearn@soa.org.

Q: How long will it take me to complete the Final Assessment?
A: The assessment has been designed so that a well-prepared candidate – one who has learned the key concepts, completed all FAP case studies and module exercises – will spend approximately 25 hours completing assignments. Twenty-Five hours is an estimate based on the experience of candidates, to date. Actual time will vary depending on candidate experience, expertise, working style, etc.

Q: How do I know how much time is officially remaining before I need to submit my Final Assessment?
A: A personal assessment clock is accessible on the Working Page of the e-Learning website and can be refreshed at any time during the 96-hour period. Please note: the clock will start at 96 hours for all candidates, regardless of the submission deadline or the expiration date of their FAP Modules. The clock does not reflect an accurate time remaining for a candidate who downloaded the Final Assessment less than 96 hours before a submission deadline or less than 96 hours before their FAP Modules expire; these candidates must submit before the deadline or before their modules expire, even if there is time remaining on their assessment clock.
Q: Can I access the assignment tasks and supporting spreadsheets at any time during the Final Assessment?
A: Yes. You can access the assignment tasks, solution files and supporting spreadsheets at any time from the Working Page.

Q: Can I discuss the Final Assessment with someone else?
A: Yes, you may discuss the assessment (tasks/solutions/Excel files) with your supervisor or an ASA or FSA. Candidates are also encouraged to form study groups via the Learning Companion. Refer to the Learning Companion via the e-Learning website to form study groups in your area and to coordinate the timing of the download of your Final Assessment with others.

Your final submitted files must be your work and your work only. Having another person(s) write, review or edit your submission, or plagiarizing another person’s work, including model solutions, is strictly prohibited. Failing to adhere to the SOA Terms and Conditions Agreement for e-Learning Candidates to which you agreed to upon registration subjects you to disciplinary action ranging from one year to a lifetime ban.

Q: Can I share any of the Final Assessment materials or my submission files with a colleague?
A: No. The assessment and associated materials are the intellectual property of the SOA and may not be shared. Your submission files are also considered confidential and are not to be shared with others. Failure to control your work product may lead to disciplinary action.

Q: Will I ever receive the same Assessment more than once?
A: No. You will not be eligible to resubmit the Final Assessment until after your current submission has been graded. At that time, a new version of the Final Assessment will have been released.

Q: Can I work on my Final Assessment from more than one computer?
A: Yes, the Final Assessment is designed to allow you to work from any location.

Q: I think I uploaded the wrong assessment files. Can I email the correct files to the SOA?
A: No. Once files are uploaded, they cannot be changed.
Q: How will my Final Assessment be graded?
A: All submissions graded as not meeting minimum requirements have been assessed as such by two independent graders.

Q: When will I receive my Final Assessment results?
A: Assessment results will be provided on a published schedule, three times a year. Once this schedule has been finalized, this FAQ will be updated with the location of schedule on the SOA website.

Q: I didn’t receive my Final Assessment results email, what should I do?
A: Due to technical reasons beyond our control, some candidates may not receive emails from the e-Learning website. In such cases, candidates may also return to the Final Assessment page where Assessment results are displayed or refer to their Online Transcript. You may also email elearn@soa.org to receive another copy of the result.

Q: What happens if my assessment does not meet minimum requirements?
A: You will need to register to retake the Final Assessment by registering online or submitting the appropriate registration form found on the FAP Modules Home page. Online registration is processed immediately. Faxed or emailed applications will be processed within 10 working days of receipt. You will have access to the Final Assessment immediately after receiving confirmation that your application has been processed.

Q: Is feedback available for my failed Final Assessment submission(s)?
A: No. In lieu of specific feedback on any particular candidate’s submission, a model solution will be published after all candidate results have been released for a particular version of the FA. The model solution is intended to help all candidates self-assess their work and to prepare for their next attempt. The solution presented will represent a solution that covers all key points and clearly meets minimum requirements.

Q: How do I access my Final Assessment retake?
A: To access your retake:
- Log in to learning.soa.org
- Click Learning Summary at the top of the page
- From there, choose the Final Assessment link

While this may look like your previous Final Assessment, once you click on it and choose “Resume”, you will have access to the retake.

Q: How do I cancel my Final Assessment registration?
A: Final Assessment applicants may cancel their Final Assessment registration before logging into the Final Assessment by doing either of the following:

- If candidates do not submit their Assessment within the 96 hour timeframe, or by the submission deadline, the Assessment will NOT be accepted and a refund will not be issued.
