Registration Deadline for November 2026 Exams – Monday, October 12, 2026

The use of on-line registration (www.soa.org) is strongly recommended. Faxing +1-847-273-8529 or an overnight courier are also options to ensure delivery. If sending by regular mail, please allow at least ***TEN WORKING DAYS*** for the application to arrive. Postmark dates will not be considered. Applications received after the deadline will NOT be accepted. When using an overnight courier, send the application directly to the SOA street address (see directions for Credit Card Payments), as a courier will not deliver to a post office box.

EXAMINATION:

- Register for the exam by typing in the name of the exam and date in the area provided.

SCHEDULE YOUR APPOINTMENT AT THE TEST CENTER

- After your registration has been processed, you will receive an acknowledgement/receipt by email that includes your candidate number for this administration. You can locate your candidate number by scrolling down into the receipt portion of the email. The candidate number **will be activated approximately 1 hour or longer depending on your internet service or issues on your record** from the time of receiving the acknowledgement email. At that time, you should ***immediately*** make an appointment at a Prometric computer-based testing center. Candidates who do not make an appointment at a CBT Prometric exam center soon after their candidate number is available at Prometric may find their local CBT center is filled on the days when the exam is offered. If your candidate number is not at Prometric after a few hours, please email soaexams@soa.org to inquire. **Due to the nature of all the C.B.T. March, July and November Fellowship Exams, and Prometric's need for preparing and testing workstations prior to the exam window.** See your receipt for the last date to make an appointment. Lastly, if you do not receive a confirmation email from Prometric within 24-hours of Scheduling your exam appointment, please contact Prometric to make sure the exam appointment was captured properly.

EXAMINATION FEES

- Exam fees may be paid by check, money order, or credit card (American Express, MasterCard, or Visa). Checks should be made payable to **SOA Actuarial Exams**. Applications should be sent to the appropriate address listed on the first page. Fees must be in U.S. funds or equivalent. Letters of Confirmation used for scheduling appointments are not released until the account is paid in full. **NOTE:** The amount billed to an individual's credit card will be automatically adjusted for persons who miscalculate the amount due. **Fees are not transferable from one session to another**. Candidates with a balance due will not be permitted to register for future examination sessions until outstanding debts are paid in full.
- If paying by credit card, the candidate must include the CVV2 number (see details below under "Additional Credit Card Information—CVV2 Number").
- A **$25** fee will be assessed on any checks returned due to insufficient funds.

- **NO REFUNDS:** SOA exam registration fees are **non-refundable** and **cannot be transferred** to a future exam period if you're (a) unable to attend or (b) do not have valid/non-expired government-issued identification at the time of the exam.

  If something outside your control affects your ability to test, you may still have options:

Rescheduling Options for FSA CBT Exams: Because the FSA C.B.T. exams are single day administrations, candidates may have the option to reschedule their test appointment location within the same testing window provided the request is made by noon of the fifth business day before the scheduled appointment, and also provided there is a seat available. To reschedule a C.B.T. appointment candidates must follow the directions posted here. All rescheduling needs to be done at Prometric, fees may apply.

Questions: Please contact SOA Customer Service at customerservice@soa.org for additional support.

ADDITIONAL CREDIT CARD INFORMATION—CVV2 NUMBER

How to find your credit card's CVV2 number:
On a **Visa** or **MasterCard**, please turn your card over and look in the signature strip. You will find (either the entire 16-digit string of your card number, OR just the last 4 digits), followed by a space, followed by a 3-digit number. That 3-digit number is your CVV2 number (see below). On **American Express** Cards, the CVV2 number is a 4-digit number that appears above the end of your card number (see below).

What is CVV2?
CVV2 is a security measure we require for all transactions. Since a CVV2 number is listed on your credit card, but is not stored anywhere, the only way to know the correct CVV2 number for your credit card is to physically have possession of the card itself. All VISA, MasterCard and American Express cards made in the United States have a CVV2 number.

Visa & MasterCard:

This number is printed on MasterCard and Visa cards in the signature area of the back of the card. (it is the last 3 digits AFTER the credit card number in the signature area of the card). **If you cannot read your CVV2 number, you will have to contact the issuing institution.**

American Express:

American Express cards show the CVV2 printed above and to the right of the imprinted card number on the front of the card.

NOTE: For European or Asian credit cards that do not have a CVV2 number, please enter 000 as your CVV2 number.

Retain your candidate number to access results at http://examresults.soa.org.
