All DMAC submissions received by the deadline will be graded in time to qualify for the FAC as long as the project meets minimum requirements. Note that candidates must have also completed all other requirements for Fellowship to receive an invitation to register for the FAC. Submissions received after the deadline may or may not be graded in time, depending on queue size, grader availability, etc. Likewise, submissions which are received by the deadline but do not meet the minimum requirements and require revisions and resubmission may not be graded in time. Candidates are instructed that they must allow up to eight weeks for the grading of their FSA modules and/or DMAC project; more time may be required if multiple graders are necessary. Questions on the FSA Modules and/or DMAC project may be directed to ellearn@soa.org or 847.706.3640
