Instructions for Completing VEE Candidate Credit Application

All courses/experiences submitted for individual VEE credit must first be approved and appear on the VEE Directory of Approved Courses or Alternate Options: [http://www.soa.org/Education/Exam-Req/Instructions-for-VEE-Directory.aspx](http://www.soa.org/Education/Exam-Req/Instructions-for-VEE-Directory.aspx)

All candidates applying with a credit card must apply online: [http://www.soa.org/Education/Exam-Req/edu-vee.aspx](http://www.soa.org/Education/Exam-Req/edu-vee.aspx)

| ACTUARIAL EXAM REQUIREMENT | - Only those who have passed at least two actuarial examinations may submit an application for VEE credit. Please verify that you have credit for at least two actuarial exams sponsored by the Canadian Institute of Actuaries, Casualty Actuarial Society, and/or the Society of Actuaries.
| | - While unofficial pass/fail results are available at the conclusion of CBT exams, the results are official only when added to your SOA online transcript. Please submit your VEE candidate credit application when results are released – approximately eight weeks after your exam. |
| EDUCATIONAL EXPERIENCE | - Indicate the name and address of the educational institution that sponsored your educational experience.
| | - Write the name and course number, if applicable, the date that you successfully completed the course experience, and the grade. A grade of at least a B- (or its equivalent) is required for VEE credit. Please note: Candidates may not submit VEE credit applications for partial credit (e.g. an approved regression course may not be submitted alone, but must be accompanied on the same application by an approved time series course).
| | - Candidates may not submit for VEE credit for a topic until they have completed all requirements for that topic.
| | - Provide the Course/Experience Approval Code(s) for the course(s) that you are submitting. Your application will not be processed without the Approval Code(s). Approval codes can be found on the online Directory of Approved Courses or Alternate Options: [http://www.soa.org/education/exam-req/edu-vee.aspx](http://www.soa.org/education/exam-req/edu-vee.aspx) |
| DOCUMENTATION | - The candidate must arrange to have the educational institution send authenticated verification; i.e., an original official transcript, that the candidate has successfully completed the course/educational experience with a grade of at least B- (or the accepted equivalent). The documentation must include the candidate’s full name and be sent to:
| | VEE Administration Committee
| | Society of Actuaries
| | 475 North Martingale Road, Suite 600
| | Schaumburg, IL 60173
| | - If the institution will not send a transcript directly to the SOA, the candidate should include an officially sealed transcript with their application form. All ACTEX, NEAS and Coaching Actuaries grade records are sent directly to the SOA; you do not need to submit a transcript if applying for VEE credit using those courses. |
| RESPONSE | - Candidates will receive a response to each application via email. First upon receipt of the application indicating the payment has been processed, and then again once the VEE credit has been approved.
| | - The processing time for VEE credit to appear on the candidate’s SOA transcript is approximately four weeks. PLEASE NOTE: During times of high volume, VEE order processing times may increase up to six weeks. It is the candidate’s responsibility to submit orders early enough to allow sufficient time to meet any personal deadlines. We process VEE credit applications in the order received (once all transcripts are received) and will not take requests to expedite orders. |
