

Kin Chung Chan, FSA, FCIA is Vice President and Actuary, Actuarial and Risk Management, Asia, Sun Life Assurance Company of Canada (SLF). KC Chan joined SLF's Canada division as VP Finance of Group Benefits in Jan 2006, then VP and Actuary in November 2006 for corporate actuarial responsible for the global reporting and management of MCCR, DCAT, Par Product and Dividend Policy, and providing oversight and support to SLF Asia actuarial functions. KC moved to his current role of overseeing actuarial, risk management and financial reporting under CGAAP for China and India, the two fastest emerging markets.

A graduate of Electrical Engineering from the University of HK, KC Chan immigrated to Canada and changed his career after working in the oil field in Middle East for 7 years. He became a qualified actuary in 1995. KC Chan has over 20 years experience in the insurance industry including experience in corporate actuarial, pricing and product development, sales and marketing, business development and M& A. After working in Canada from 1986 to 1995, KC Chan worked in Asia for 10 years before returning to Canada in 2006. His Asia work experience included reinsurance, regional business and product development, strategy development, advertising strategy and PR management, and operations. He was the head of Bancassurance of a significant regional player in Taiwan.

KC Chan is a Fellow of Society of Society of Actuaries, and a Fellow of Canadian Institute of Actuaries. He was the President of Actuarial Society of Hong Kong, Chairman of China Region Committee of SOA, Chairman of China Sub-committee of International Actuarial Association. He was a member of the SOA Professional Community Advancement Strategic Action Team. In May 2008, KC was presented the Certificate of Honor by the newly formed China Actuarial Association in light of his contributions to China actuarial profession.

陈建忠(Kin Chung Chan)现任**永明金融副总裁兼精算师**,是**北美精算师协会会员(FSA)**和**加拿大精算师协会会员(FCIA)**。

陈建忠在2006年1月份加入永明金融,当时任职永明金融加拿大公司团险部财务副总裁。在同年的十一月,陈建忠转任永明金融集团精算部副总裁,主要负责全球性整合上报和管理:偿付能力(MSSCR),动态偿付能力测试(DCAT),分红产品红利保单的拟定。并负责永明金融亚洲区的精算监管及技术上的支持。陈建忠现任永明金融副总裁,负责对全球产品的经济价值评估,另外还监管中国光大永明保险公司精算和风险管理。
