Empower Your Employees with Informative Webcasts

SOA offers corporate webcast subscriptions

The Society of Actuaries (SOA) is committed to supporting actuaries as they continue their education through all available platforms – including webcasts. To help in that process, we’re pleased to offer actuarial employers a webcast subscription package for their employees.

Subscription has its Benefits

The SOA’s webcast subscription program gives you access to a set number of webcasts on a variety of topics. While pricing structures refer to the number of SOA credentialed actuaries you have on staff, attendance at webcasts within your subscription package are open to all employees. This allows your team members – both in the actuarial department and beyond – access to informative webcasts on the industry trends and topics that impact them.

BENEFITS OF SECURING A SUBSCRIPTION INCLUDE:

- Unlimited number of participants
- Unlimited number of locations
- Permission to rebroadcast to internal audiences, using your organizations technology

Number of SOA credential actuaries	7 Webcast Package	14 Webcast Package
0-100	\$3,600	\$6,600
101-400	\$5,400	\$9,900
400+	\$8,100	\$14,850

Subscriptions are valid for one year from date of purchase. It is non-refundable and credits for unused webcasts will not be given.

How it Works

After the SOA receives your subscription package selection, the designated contact at your organization will receive details on how to register for webcasts. Your organization is responsible for coordinating webcast attendance for your team. A recording of each webcast is included in your subscription package selection and will be provided to your designated contact person – ensuring your team members who were unable to attend the live webcast or those interested in hearing it again can do so at any time.

OBTAIN EA CREDITS

SOA members that participate in EA-credit approved webcasts can request a certificate of attendance by completing a request form. At the end of each webcast, a link to the online request form will be provided via email to your organization’s designated contact.

SECURE YOUR WEBCAST PACKAGE TODAY

Complete the **subscription order form** and select your webcast package. Once secured, the contact at your organization will receive an invoice and details on how to register for webcasts for your team. If you have any questions, contact Amy Wojcik at awojcik@soa.org or by phone at **847-706-3537**.
