

2020 Disruptions to the Actuarial Profession Contest

Submit your video or essay today!

Have you thought about the future of the actuarial profession and how future technology will revolutionize it? Showcase your ideas about how actuaries can contribute to this process.

The video, YouTube hyperlink or essay must be submitted to aof@soa.org no later than Aug. 3

ELIGIBILITY:

Anyone interested in technology and the actuarial profession. See the **official rules** for more details.

JUDGING CRITERIA:

Applicability of the technology identified, originality, practical significance and overall submission quality.

PRIZES:

Up to five prizes awarded including the most reformative, the most creative and the most innovative uses of technology.

Entry Period:
May 28 through Aug. 3

Prize winners will be announced
on or before Sept. 15.

**SOCIETY OF
ACTUARIES®**

In Partnership with the Actuary of the Future Section, Technology Section, and the Actuarial Innovation & Technology Strategic Research group.
