

Retirement Section Council Elections – Are you interested in running? May 30 is the deadline to submit your name for this summer’s election

Greetings Retirement Section Members,

The 2018 election of new Retirement Section Council members is quickly approaching. Running for a seat on the council is a great way to connect with colleagues and give back to the profession. Council members use their collaboration, communication and leadership skills to facilitate the professional development of the Retirement Section’s members and their adaptation to changes in the retirement industry. Council members fill a variety of roles including council officers and oversee the Retirement Section’s communications, continuing education, research, budgets and special projects. Members serve a three year term and attend three in-person meetings annually and an hour-long phone call once a month for the other nine months.

For more information about becoming a candidate and details about the position, please review the [SOA Section Elections Fact Sheet](#).

Complete and submit the [Expression of Interest](#) form by May 30, 2018 to become a candidate for a seat on the Retirement Section Council. For more information, contact [Jane Lesch](#), SOA section specialist, or one of your current [section council members](#).
